

## Coronavirus (COVID-19) Update

Dear Residents,

The Auburn Housing Authority (AHA) and its affiliate, AHA Development LLD, are navigating uncharted territory and are making operational changes due to the Coronavirus (COVID-19). Please be informed that the health and safety of our residents, staff, and the general public is our number one priority; therefore, we are making various operational changes in an effort to reduce the potential spread of COVID-19. Because of this, we will be implementing the changes outlined below that will cause some disruptions to our normal business operations which will be in effect until further notice:

1. **OFFICE HOURS AND CONTACT**: Effective Monday, March 16, 2020, our Administrative Office will be closed to the general public until COVID-19 is no longer a threat. If you have questions, you may contact the following:

2. **RENT PAYMENTS**: AHA plans to install a rent payment drop box outside of the Administrative Office. Checks, Money Orders, and Cash will be accepted. Envelopes will be available. Name, Apartment Name, Unit Number, and Amount will be required. No change will be given for cash payments; over payment will be credited toward your next month's rent. Receipts will be mailed or e-mailed out. Additional information will be provided.
3. **WORK ORDERS**: Maintenance staff will only respond to emergency work orders. Emergency work orders are defined as being a serious threat to the life, safety or health of resident(s) or staff; or as situations that will cause serious damage to the property, property structure or systems. Additionally, we ask that you follow the Center for Disease Control's (CDC) recommendation and maintain 6 feet of space or more as maintenance staff works to resolve any issues.
