Contract Specifications (excerpt)

Section 3

Section 3 is applicable to this project and will be included in the contract. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain the Department of Housing and Urban Development (HUD) financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed to low- and very low-income persons.

Inspections

Upon completion, each unit must pass applicable HUD inspections before payment is issued.

Other applicable regulatory requirements may apply.

We look forward to reviewing your quote.
